Provide Basic Emergency Life Support (Previously Level 1 First Aid)

Course Code: HLTFA201A

Target Group:

Provide Basic Emergency Life Support (Previously Level 1 First Aid) is a short course designed to develop the knowledge and skills required to provide basic life support measures in an emergency.

The course includes both Emergency Life Support and Cardiopulmonary Resuscitation (CPR).

Areas covered include the unconscious patient, shock, respiratory emergencies, choking, bleeding and communicating with emergency services.

Participants

This Course is particularly relevant to University, School and Preschool staff, Sporting Clubs, Community Health Care Workers and First Aid staff.

It is also ideal for any parent or member of the community to have a current First Aid Certificate.

Lecture and Demonstration

Total Hours of Learning - approx. 6 hours.

Hours include self directed learning and four (4) hours of delivery including lecture, demonstration and practical assessment.

Completing a course with The Benchmark Group guarantees:

- A Nationally Accredited Course
- A Nationally Recognised Qualification
- Expert Trainers
