

**Basic Catchups for
Immunisation**
COURSE INFORMATION

Course snapshot

COURSE TITLE	Basic Catchups for Immunisation
COURSE SUMMARY	This three hour interactive course is an opportunity to review, consolidate and expand on your learned knowledge for an individual who is new to Immunisation in Australia. This Basic Catchup course will cover practicing regular catch-up scenarios and provide an opportunity to ask questions and create your own scenarios that you have seen in your practice.
UNITS OF COMPETENCY	NA
VALUE FOR ORGANISATIONS	An interactive virtual workshop for those new to Immunisation, or with some experience, who would benefit from a small classroom setting learning the basics of 'how to do a catchup?' Develop an understanding of vaccination planning, and various schedules following the guidelines of the Australian Immunisation Handbook. Using simple scenarios your ongoing learning will be developed and tested with other practitioners in a small classroom setting. Review catch-up principles and scenarios, and advance your learning by asking the questions you need from your clinical setting in a supportive environment.
COST	\$95 (Inc. GST)
PRE-READING	There is no pre-reading for this course. However there are documents to download and print in your resource library prior to the workshop.
DELIVERY & ASSESSMENT	Virtual workshop
ESTIMATED HOURS OF STUDY	3 hours of active learning.
CPD HOURS	As a general guide, one (1) hour of active learning equates to one (1) hour of CPD. It is the responsibility of the individual student to calculate how many hours of active learning have been completed. The hours of active learning estimated above should act as a guide to CPD hours.
ENTRY REQUIREMENTS	For the entry requirements please see the following page.
TERMS AND CONDITIONS	Visit benchmarkgroup.com.au/terms-and-conditions View Student Handbook

Course outline

You will review and refresh your knowledge on catch-ups using the Australian Immunisation Handbook Catch-Up Tables. We will then practice using basic scenarios to consolidate foundational catchup principles. During this time there's an opportunity to ask questions and gain support to help you in your workplace.

Course content

The session consists of blended learning in a small interactive classroom , which includes Immunisation catch-ups, sharing of knowledge information, and self-reflection activities.

Course outcome

By the end of this virtual workshop, you will have refreshed your knowledge on how to work through a basic catch-up and the processes involved. You will practice working through one or more scenario's using the Australian Immunisation Handbook Catch-Up Tables, and be provided with answers for any questions you might have.

Entry Requirements

Entrants to the Basic Catchups for Immunisation Course must provide evidence of a relevant professional role. Relevant roles would include:

- Registered Nurse
- Nurse Practitioner
- General Practitioner
- Enrolled Nurse
- Aboriginal Health Practitioner
- Others on application.
