<b>TERMS AND CONDITIONS</b>	<a href="http://benchmarkgroup.com.au/terms-and-conditions">Visit benchmarkgroup.com.au/terms-and-conditions</a> <a href="#">View Student Handbook</a>

## Course content

The course delivered by Benchmark Group is focussed on:

- How to have an appropriate conversation with the parent or caregiver
- Undertaking a quality, comprehensive health check
- Assessment of the unwell child
- Assessment of the well child and developmental assessment
- Escalation and planning
- Support networks for mothers and providers
- Health pathways

## Learning outcomes

On successful completion of the course, students will have the skills and knowledge to:

- Understand any local jurisdictional requirements linked to paediatric health assessments
- Understand and communicate effectively to address concerns of the parents or caregivers
- Undertake a quality, comprehensive health check
- Understand and identify signs and symptoms of the unwell child and manage escalations as required.
- Understand the importance of support networks for mothers and caregivers and have knowledge of local support services through health pathways.

## Assessments

The course is delivered as a one-day in-person workshop delivered by a team of expert facilitators.

The course includes both knowledge and skills. Assessment is undertaken through observation of individuals and practical activity (group-work scenarios).

## Course delivery

Full day face-to-face workshop

This face-to-face workshop involves lecture and practical workshop activities and scenarios you typically see in your practice.

You will work with peers in the classroom to conduct practical sessions based on acute presentations and conditions.

There is no additional theoretical learning for this course.

## About accessIQ

We are paving the way for innovative and easy online learning through our bespoke online course and assessment platform, accessIQ.

- Study anywhere, anytime
- Edit saved answers, review before submitting
- Live student console – tracks assessment, enrollments and waitlists
- Access statement of results and resource library.

# About Benchmark Group

Benchmark Group is a Registered Training Organisation (RTO 21824) delivering a range of clinical skills courses to meet the needs of a broad range of health professionals across Australia.

As an RTO working in the health sector, our focus is on the delivery of courses designed to provide healthcare professionals with the opportunity to expand their skills and careers. We concentrate on skills and knowledge that can be immediately implemented in a vocational context.

Skills learnt today can be used tomorrow.
